OUR STORY

Tucked along the scenic Pacific Coast Highway across the street from crashing waves and salty breezes of Newport Beach, sits Cappy's Café—an unassuming diner that's been serving locals, tourists, surfers and sunrise seekers for over 43 years.

Cappy's opened the doors with a simple mission... to serve comfort food, make people feel at home and keep the coffee flowing into your mugs. Cappy's is a place where the waitress knows your name and your omelette order is remembered. Your furry friend is as welcome as your kids.

What started as a humble breakfast spot has evolved over four decades into something much more... a community hang out, a brunch destination and a beloved part of the coastal California rhythm.
